

Community Council Meeting Agenda March 7, 2017

- **Discuss funds spent this year & next year.**
 - Music teacher \$10,000
 - Tutoring \$6,000
 - Technology \$15,000
 - 3 Paras \$21,000
 - STEM \$4,500; We had a good discussion about using these funds for STEM resources such as Lego League or lego learning after school, school garden, service learning, etc. We decided that we didn't need more leveled books, and instead we would use it for STEM activities and professional development.
- **Safe walking route review**
 - Need a crossing guard at 8:00a.m. on 700 South by Dixie High School. Crossing guard is only there from 8:15-9:00 and isn't allowed to be there earlier. We have kids crossing at 8:00 because of the long walk to get to breakfast early.
- **Technology night/Parent training**
 - On April 20th with a partnership of Dixie State University. Focus on STEM and they will provide the materials and resources. Creating with the use of technology.
- **Other**

Attendees: Steve Burgess, Heather Osness, Isabel McDonald, Yudira Lemus, Rosa Andrade, Sydnee Jolley, Lindsay Lefler, Teria Mortensen
