

COMMUNITY COUNCIL 2024-25

MINUTES

Meeting Date: 9/18/2025

Members in attendance: Tara Tichenor, Brooklyn Gretsch, Judith Rognli, Collete Yost, Angie Evans, Cheri Maxwell

Others in attendance: Natalie Larsen, St. George City Council, Lloyd Sutton, City of St George Active Transportation Coordinator

Agenda Items:

Roles of Community Council: Angie presented the purpose of our Community Council and explained the roles of members.

Rules of Order and Procedure: Rules of Order and Procedure were presented and discussed. Members agreed to approve the wording.

Safe Routes: Lloyd presented the parameters for crosswalks and school crossings. At 200 East we cannot add a school crossing, but we could possibly add a regular crosswalk. Natalie Larsen added that there are problems with drivers and students just not being aware of watching as they are driving to school. Tara Tichenor brought up how many times she has seen near misses on the street surrounding our school with no designation of it being a school zone. Angie Evans let the group know that we do have two school zone signs. Judith Rognli asked about adding some temporary bulb outs or cones that brought drivers attention to the intersection. It was also brought up about what might change when the gate is opened up on the back. We also discussed the plan to change the safe routes map to include the route through the college. This motion was approved by Tara and seconded by Gretchen.

Family Engagement Policy & School-Parent Compact: The new Family Engagement Policy & School-Parent Compact were presented to the Council and all agreed to the wording and approved them to be included on the school website.

Budget/School Improvement Plan: Angie presented the current Trust Lands budget and plan. She explained that most of our funds are used for people.

Celebrate 5th grade's MGP: Angie explained how well our 5th grade team did on the RISE testing. Their MGP scores for both Math and Science were the highest in the district.

Chair and Vice Chair: Members of the council voted to retain Tara Tichenor as the Chair for the year and Jaclyn Kerouac as Vice Chair.

COMMUNITY COUNCIL 2025-26

Minutes

Meeting Date: 1/8/2026

Members in attendance: Tara Tichenor, Jaclyn Kerouac, Collete Yost, Angie Evans, Cheri Maxwell, Judith Rognli, Elizabeth Monroy, Brooklyn Gretsches

Others in attendance:

Agenda Items:

Attendance: Attendance challenges are helping and it is getting better. We have been doing dog tags, and fun challenges.

Walk to School with new Safe Route: The new route was approved for coming from the east side. Mrs. Evans walked it yesterday but no students joined her. Mrs. Evans showed the new route and we discussed the new route. We will plan another walk to school in the morning. Tara brought up the safety at the bulbouts. Often kids don't stop and not all drivers understand how they work. We also talked about how to get parents the information about the new route and how we have worked to make it safer for students.

Internet Safety: The computer para spent the first month teaching internet safety. Older grades will use Kiddam and younger grades will use links in Schoology.

Community Council training: Members watched a video on how the Trust Lands money is funded and distributed.

Acadience Scores: Mrs. Evans showed the scores for both reading and math and how they compared from BOY and MOY.
